LETTER

We received a Notification of Defective Response on May 27, 2008 (dated May 23, 2008). This Notification states that the document filed (a Status Request) on March 5, 2008 is acknowledged but the requirements (an Oath/Declaration) set forth in the Notification of Missing Requirements have not been completed. On June 2, 2008, once the paralegal, Suzanne Lombardo reviewed the Notification of Defective Response, she checked PAIR and downloaded the Notification of Missing Documents.

We filed a Status Request on February 29, 2008 (received by USPTO March 5, 2008), because we hadn't received anything from the USPTO for this case since the case was filed on May 26, 2005. We never received the Notification of Missing Requirements. We have had the executed Declaration since October 9, 2005. We have been waiting for the Notification of Missing Requirements to be issued to submit this document.

On June 3, 2008, the paralegal, Suzanne Lombardo contacted Barbara A. Campbell (contact person listed on the Notification of Defective Response) at the USPTO to discuss the situation. When she spoke to Barbara A. Campbell, Barbara A. Campbell advised Suzanne Lombardo to respond to the Notification of Defective Response by filing the declaration accompanied by a letter explaining the situation and a fee of \$130.00. Barbara A. Campbell also stated that she would note this in the file and call Suzanne Lombardo back once she receives the Declaration.

We do not believe that we should be charged any extension of time fee due to the fact that we never received the Notification of Missing Requirements. If we would have received this notice, we would have submitted the Declaration in a timely manner because we have had the executed documents in our office since October 9, 2005.

Respectfully submitted,

Charles N.J. Ruggiero
